

CHOOSE YOUR COLLEGE FAIR FOCUS QUESTIONS

Do you want to know more about majors, campus setting, size, tuition costs, location, sports, campus culture, activities, or maybe something else? Here are some ideas to get you started.

- ☐ Where is your college located? In what type of setting? (Big city, suburban, rural, college town?)
- ☐ Are you a W.U.E. college? What is your cost of attendance? Are all majors eligible for the W.U.E. tuition discount?
- ☐ What are some of the unique programs/majors/opportunities that _____ has to offer? What sets your college apart from other institutions in your area or state?
- ☐ Are any of your majors impacted? What are some of the requirements of a major in _____?
- ☐ How would you describe the student body's personality? What are some of the popular activities your students are involved in?
- ☐ What sports do you offer? What type of on-campus events do you hold?
- ☐ What do your students like most about _____? What's the biggest misconception about your school?
- ☐ What percent of students are able to graduate in four years? How many students transfer to another college after their first year?
- ☐ How do you award merit scholarships? What does it take to qualify for a merit scholarship?
- ☐ What is your (undergraduate) student enrollment? What is the average class size?
- ☐ Do you have a local representative or alumni in the area?
- ☐ Do you offer three-year degrees? Internships in my major?
- ☐ How liberal, conservative, diverse is your campus?
- ☐ May I have a list of majors? May I have your business card?
